Christian Worldview: A Student's Guide (Reclaiming The Christian Intellectual Tradition)

Synopsis

Everything we think, say, and do reflects our worldview. Whether we realize it or not, basic beliefs about God, humanity, history, and the future inevitably shape how we live. Philip Ryken, prolific author and president of Wheaton College, explains the distinguishing marks of the Christian worldview, helping us to engage thoughtfully with our increasingly pluralistic society. Based on the notion that ideas have consequences, this accessible resource will help you see life's "big picture" by equipping you with a well-reasoned framework of Christian beliefs and convictions.

Customer Reviews

Ryken's Christian Worldview clearly and concisely accomplishes his goal. He makes an excellent description of a traditional Christian worldview and allows the reader think through how that worldview affects life. As a high school Bible teacher, I would recommend this book for people discipling Adolescent Christians. The book is simple in it's approach, but compelling in it's vision. One strength of the book was how it quoted from so many Christian witnesses (Lewis, Chesterton,

Calvin, Kyper, Newton, Bacon, Augustine, many others). It gave the book a collective witness to what a Christian worldview is and supported that these views are not alone Ryken's. I recommend this book.

This book was really helpful applying the christian worldview to my discussion posts in my psychology classes.

LOVE this book. It is extremely small, something you could read in a few good hours, and is chock-full of goodness. A quick guide to Christian Worldview, cleverly organized, and something that someone with a student's schedule really can get through.

If you would like to challenge the difference between what you believe and how you live, this book is a great place to start.

This is good preparation for high school and college students. A well written foundation of basic truths.

Good condition as advertised. Thank you.

It was Kool

Shipped very quickly. I am pleased with this purchase!
