Love this book so much. I taught myself how to play piano for the most part, so the simplicity of this book won me over. Rent is my favorite musical ever, so being able to play most of the songs is pretty amazing for me

This is such a wonderful song book and the piano pieces are very easy. My friends and I sit at my piano for hours singing and playing the songs of "Rent" from this amazing book. I've used it for almost all of my auditions and I've gotten wonderful parts! I recommend this easy-learning piano book for all people who fiddle around with their piano's figuring out the beginning of "Seasons of Love!" (Like I did myself!)

I am absolutely in love with RENT and have been since the first time I saw it. This book is everything anyone who ever loved RENT needs. One thing though...don't get the paperback version because that's what I got the first time I ordered it and when it arrived it was "Easy Piano" apparently they made a mistake and the hardback is the RENT Bible and the paperback is the piano music. Just don't want anyone else to make the same mistake I did.

I love Rent the musical and have also fiddled around with introduction the Seasons of love ironically enough. This book really helped me get to grips with the musical. i was really happy to be able to play some of my favourite musical songs on the piano for myself.
