## Customer Reviews

Great Reading! Love this entire series!

I dumbly didn't see that this book was part of a series when I was signing up for the blog tour. But this was still an enjoyable read. The characters and the world is strongly written. There's twists and fast plot made for a fun read. For, not have reading the other books in this series, this was an all

around, full story. The fighting scenes are my favorite part of this book, because they are so well written, just pulling me in. This book is a page turner, full of mystery and suspense.
