A great book to challenge every man to be all that he can be...not just in God's eyes, but in the

hearts of your family and friends. Never has there been a better time for all of us to take a hard look in the mirror and check our motives and our direction. Otherwise, you just might arrive exactly where you didn't want to go!

This is a must read for all men that want to be all they can be. The author really has a firm grip on what GOD wants from us and how to do what GOD has called us to be a man after GOD heart. WOW what a great read!

So far, great book! I would recommend this to anyone. We are using this book for our men's Bible study. It has a lot of thought provoking issues to talk about.

This book with its updates give raw, transparent insights to men and spouses. If humbly received and applied, I believe will save lives and marriages. I taught from it in a recent men's seminar and the men were moved and convicted to honestly look at themselves.

I am certain that all men should read this book. It is fundamentally challenging and does this with care, clarity, in an articulate manner.

I have owned this books for years but loaned it out and never got it back. I have now purchased the Kindle version. I continue to go back to the book to remind myself of good/grounded advice to be not only a better man but also a better Christian man.

Son loved this book, it opened his eyes to some things he is going through

Great product!
