## Customer Reviews

For those who remember this short opera as little children, produced for Christmas on the new medium of TV, it is especially enjoyable to possess the means of recreating Menotti's beautiful music, or of following along with the CD or DVD recordings. And for those who would like to hear and or, to see, the story of this touching Christmas miracle, do obtain the recordings. A real present for people of all religions!

Do NOT buy the hardback version! This takes you to another link. It is NOT the vocal score!!! Only the paper back takes you to selections for the vocal score

I ordered this by mistake [f&c](#) - [f&c](#) • my fault entirely. But I love it and am glad I made the mistake.

Don't buy this book. The look inside preview is incorrect. This is not the entire opera. This is ONLY the chorus.

Exactly as described, thanks!
