Quick-reference tables help you find the ride best suited to your fitness level and interests*
Turn-by-turn riding directions providedAs anyone who's ever rolled two wheels into the City of
Roses knows, biking is an undeniable part of Portland's identity. Biking Portland: 55 Rides from the
Willamette Valley to Vancouver, offers routes from downtown Portland along the river, into the
greenways of the Tualatin basin, through the Clackamas countryside, and across the Columbia to
destinations like Cedar Creek and Cape Horn. Features include a detailed map for each Portland
bicycle ride, 75 photographs, a keying of each ride by type--residential, urban,
rural, non-motorized -- and public transit directions to the start of all 55 routes in addition to standard
driving directions. Each cycling route features turn-by-turn descriptions, mileage logs, photos, maps,
and elevation profiles, while sidebars throughout the guide showcase Portland's rich biking heritage
with fascinating anecdotes. Rides range across skill levels with a balance between easy, moderate,
and strenuous--here you'll find routes for families, Portland newcomers, and seasoned
Oregon road warriors.

Customer Reviews

OWEN WOZNIAK grew up hiking, biking, and running in Anchorage, Alaska. A former policy researcher, he has worked on projects related to Portland's bicycle infrastructure. He now works for The Trust for Public Land, acquiring land for parks, trails, natural areas, and community gardens.

The service was great on delivery and quality but the book in a little dated. I thought it was fun ... I would recommend it as a 4 star book.

I had been given this book as a gift. I then ordered one for my daughter so she could enjoy it without swiping mine. It's a super fun way to spend a Saturday on your bike.

We have biked in the area for more than 25 years but this great little book introduced us to new rides and neighborhoods we had not explored. We particularly enjoyed the Vancouver rides.
