Credit Repair Kit For Dummies: Second Edition

Synopsis

Don't let your credit suffer needlessly from errors or outdated information. With tools and tips for fixing a bad credit report, a bad credit report can hurt your chances at qualifying for loans and credit cards, and it can even get in the way when you want to rent an apartment or land a job. Credit Repair Kit For Dummies is your essential guide to managing your credit -- from fixing mistakes on your credit report, to improving your credit going forward, to establishing manageable payment plans with creditors. Discover how to

- * Protect yourself from identity theft
- * Improve your credit score
- * Assert your rights under the FACT Act
- * Maintain great credit
- * Investigate your legal options

Customer Reviews

I found it to be accurate but repetitive...no information that you can't find on youtube or google.

not as useful as i was expecting!

helped me with fixing my credit

Very informative

Good book to review every few years. Good reference for contacting the credit rating agencies. I got

the electronic version and I would recommend it.

This book is very informative and contains a CD with additional information. I really enjoy the simple language that is used and appreciate having a guide to the complicated world of "Credit."

Book came in excellent condition

I would recomend this to anyone thats lost on how the credit system works, I actually bought this for my wife but I have been the one reading it.
