Three-Ten To Yuma And Other Stories CD

Synopsis

Trust was rare and precious in the wide-open towns that sprung up like weeds on America's frontier—•with hustlers and hucksters arriving in droves by horse, coach, wagon, and rail, and gunmen working both sides of the law, all too eager to end a man's life with a well-placed bullet. The New York Times bestselling Grand Master of suspense deftly displays the other side of his genius, with seven classic western tales of destiny and fatal decision . . . and trust as essential to survival as it is hard-earned. --This text refers to the Mass Market Paperback edition.

Customer Reviews

“Even the earliest of his western yarns show Leonard to be a master storyteller.” (Los Angeles Times)
“Leonard has penned some of the best western fiction ever.” (USA Today) --This text refers to the Mass Market Paperback edition.

Elmore Leonard wrote 40 forty-five novels and nearly as many western and crime short stories across his highly successful career that spanned more than six decades. Some of his bestsellers include *Road Dogs*, *Up in Honey*, *„s Room*, *The Hot Kid*, *Mr. Paradise*, *Tishomingo Blues*, and the critically acclaimed collection of short stories *Fire in the Hole*. Many of his books have been made into movies, including *Get Shorty*, *Out of Sight*, and *Rum Punch*, which became Quentin Tarantino's *Jackie Brown*. *Justified*, the hit series from FX, is based on Leonard's character Raylan Givens, who appears in *Riding the Rap*, *Pronto*, *Raylan* and the short story “Fire in the Hole”. He was a recipient of the National Book Foundation's Medal for Distinguished Contribution to American Letters, the Lifetime Achievement Award from PEN USA, and the Grand Master Award of the Mystery

Writers of America. He was known to many as the "Dickens of Detroit" and was a long-time resident of the Detroit area. David Strathairn reads "Welcome to the Monkey House," "Tom Edison's Shaggy Dog," "D.P.," "The Lie," and "Adam".

Read these stories and live in the time, breathe the dusty trails, and know each character personally. No one before or since Elmore Leonard has written this genre with such accuracy.

Must read for Elmore Leonard fans.

Kind of dull and hard to follow. I didn't realize it was a bunch of short stories either. I couldn't finish the book.

I enjoyed these deceptively simple stories about human nature. This would also be good reading for pre-teens and YA readers who need to be challenged to think about the fine lines between right and wrong.

Great stories/writing, '3:10 To Yuma in particular.' Thank you.

This is a rather fun collection of short western stories. They are all good, but I'd only give it 4 stars because it's probably more cost-effective to just buy the entire Elmore Leonard collection.

This is EL at his best short story writing. I enjoyed every story except for a bit of too much change to "Three Ten to Yuma". All in all these are great quick reads for a short porch sit.

I bought this as a gift, so I can't review the product. The seller was great, no issues.
