Customer Reviews

I think this best for intermediate level. I found some pieces for which I had been searching; such as "In The Hall of The Mountain King". The pieces are short and clean.

Grandson plays baritone/euphonium and uses trombone sheet music. He likes it.

This book is nearly perfect for my beginning trombone practice, but I would appreciate more annotations from professional trombonists to help me get the most from these easy works.

I enjoyed this music greatly. I love to play classical music
