How Big Is God?

Synopsis

When a young boy asks his mother where God lives, she tells him "in your heart." This inspires a slew of curious questions: Is he invisible? Is he like a superhero? Can he fly? How can he be everywhere all at once? In this heartwarming conversation between mother and son, all the ways in which God exists are discussed and the possibilities are endless. Through bright, dreamy illustrations, *How Big Is God* captures the immensity and wonder of looking at God—and the world—through a young child's eyes.

Sweet book for our son who has been asking how big God is and comparing things to God. We still don't have a perfect answer for him but since the book includes what we've been telling him it seems a bit more "official." We enjoy his questions and hope his younger brother is as inquisitive about God. Kids learn far more than we realize. Case in point: while on our way to church I read Colossians 3:12-17 and asked, "what would it look like if everyone DID what is instructed?" Without hesitation (and he'd given no indication that he had been listening) he said: God. If your kiddos are asking questions about how big (or powerful, loving, caring, etc.) God is, this little book is a nice first step.

Too naturalistic/pantheistic for me, and I consider myself of more liberal/open-minded evangelical Christian.

Super cute book. My 5 year old loves it.

Good for little children.

Great book

Bought it for the grandkids - they loved it!!!

This book helped to answer some of my kids questions about where God is and how big He is. Beautiful illustrations and wording too.

Kids liked it
