Dr. David Willoughby, Professor Emeritus of Music at Eastern New Mexico University and former Dean of its College of Fine Arts, retired in 1993 after twenty years of service. He moved to Elizabethtown, Pennsylvania and immediately was named Head of the Music Department at Susquehanna University in Selinsgrove, a position he held for three years. From 1970-1973, he held the position of Assistant Director of the Ford Foundation/ MENC Contemporary Music Project, where, among other responsibilities, he served as Editor of the CMP Newsletter. From 1960-1970, he was Assistant/Associate Professor of Music at Elizabethtown College. Willoughby is now Minister of Music at the Church of the Brethren in Elizabethtown, where he directs the Adult Choir and the Bell Choir. He continues to play double bass and serves as Editor of the Newsletter of The College Music Society (CMS). The fourth edition of his book, The World of Music, has just been published by McGraw-Hill. Regarding CMS, he serves on the Council of Past Presidents, having served as President in 1987 and 1988. Previously, he was Board member for Music and General Studies (1980-1985) and a member of the Executive Committee (1986-1989). He served as Director of the Wingspread Conference on Music in General Studies (1981) and of the first four summer Institutes for Music in General Studies, Boulder, Colorado (1982-1985). (It was this Conference on Music in General Studies and these Institutes that prompted the first conversations, in 1985, that led to the

first edition of The World of Music.)

This was so helpful for the music intro class I am taking. There were a couple of songs that weren't part of my needed listening pieces, but those were easily found on the internet.

I bought these CDs because they were companions to the book, and because we had a listening component to the music class. I decided to get these so I didn't have to hunt and peck for music, and because we were working from the book, the music would be the most compatible. The music helped me to pass my listening assignments with flying colors.

This was the book I needed.

Exactly what I needed at a fraction of the price.

The price to rent was really hard to beat. I can borrow these cds until June which is the longest amount of time I have seen for a book/cd rental.

ok

Fast ship - arrived as described

The CD set was required for my Music History Class. The sound quality is good and the CDs follow the textbook.
