Synopsis

BONUS Get a free bonus inside the book. In this book, you learned the different universal laws that Jesus taught us in the Bible and how they apply to our everyday life. There are things that scripture has taught us that we have found in different things we've learned throughout our life but we didn't realize that it first originated within the Bible. Even if you do not fully believe in the Bible and everything that it stands for, it can help you to lead a better life based on some of the teachings that we first find there. It is not expected of us to live a perfect life, however, it is expected of us to live as good of a life as we possibly can and by knowing the laws that are taught to us when we are little in the Bible, will help us to live up to that goal. Things you will learn

- The seven laws of the universe
- How Jesus used these laws to help teach us
- The description of each law and how it is found in the scripture
- How the laws are applied to our everyday life
- How to study the Bible
- Resources for studying the Bible
- Some biblical secrets based on the various pictures that can be found to describe things that have happened in the Bible

Customer Reviews

This was a great book for me learning about all the universal laws that is taught in the bible, the author even goes through them all and how they all ties together. There was a awesome section on how to really do to study the bible, and great resources for studying the bible outside of this book as well. It also covers some of the more biblical secrets as well, and this was a very interesting read, indeed.

Whether you believe in the teachings of the Bible are not, this book is a must read. Although I'm a huge believer already of the laws of the universe, this book was a great reminder of what I already know to be true. A must have in your kindle collection!

I have been a firm believer in the bible for a long time and thought that I knew everything to know about the bible but upon reading this book I am able to see a different perspective and theory on the laws and manifestations of the bible. Very interesting read and I would recommend it to anyone who is also a firm believer.
