Synopsis

Let It Shine: Heaven in my Heart Series (for pre and early teens), Book Eight Brianne loves summer, and she is expecting the one before her to be a good one. She's got plans. She is anticipating having some good times with her closest friends. And she is open to what may happen during some less predictable times too. With her friendships taking a high priority in her life, she finds some are exactly the way she wants them to be, and others are less than perfect, but she tries to make the best of each week. Allowing the light of God's truth and love to lead the way, she finds that's all she really needs, no matter the friend or situation. Even when one of her best friends needs her in a way she doesn't anticipate until it's suddenly happening.* Let It Shine is the eighth and final book in the Heaven in my Heart series. This series is recommended for pre and early teen girls (ages 11 to 14), and the books are meant to be read in sequential order. This series is followed by the "True Friendship" series for girls 12 and up. Readers of this series may also enjoy the "Seeking Heart Teen Series" for ages 13 and up.
