A great book for those of us that love the Peanuts gang.

Really nice behind-the-scenes account of a beloved Christmas tradition. I enjoyed learning about the children who were the voices of the characters and seeing the hand-drawn storyboards. I'd recommend for any Peanuts fan.

if you are a Peanuts fan, this is a must have!! Especially if you own the Book and the Movie, this goes beyond both of those and explains a lot of the ideas behind both.

"A Charlie Brown Chriastmas" ... great children story for the holidays and forever.

I gave this books to a friend who is a Charlie Brown Christmas aficionado, and he was very impressed with the facts/details included in this book that were new to him! It was a perfect gift!

Great coffee table book for the holidays and a treasured memory of years passed!

Lovely book! Arrived with two slightly sticky spots on the cover, but they easily rubbed off with my thumb. Tons of great info within.

What a delightful book and so interesting to read the behind the scenes in the making of A Charlie Brown Christmas.
