Customer Reviews

BEAUTIFULLY WRITTEN MAP. EASY TO READ WITH COMPLETE ROAD MAP THRU NEBRASKA I GIVE THIS MAP 5 STARS. it is excellent! very reasonable price. i'll order again RAND MCNALLY MAPS FROM THIS COMPANY. BEST NEBRASKA STATE MAP FOR DRIVING IN NEBRASKA!

Product arrived on time & is good

I bought this map for a craft I wanted to do where it would be on display. The problem is that one half of the state is on one side, and the other half is on the other. I didn't even think to consider that this might be the case when I bought the map. The map is very large, so if you actually wanted to use it for traveling, I would find it a bit cumbersome to go back a forth, or even just use one side.

It looks just like Nebraska - what more could I ask for?

The map was excellent and showed detailed areas of the larger cities. It was easy to read and I could locate information quickly.

Very useful and easy-understanding!

Good easy to read map.

Was folded nicely the first time. Perfect for any GPS failures.
