Customer Reviews

The new country style shown here is a pared-down, light-filled look. Divided into themes such as cottage, rustic, and eclectic, the book offers numerous color photographs accompanied by decorating tips. Each chapter concludes with the editors' advice on how to achieve each look. Well suited for public libraries. Copyright 2001 Reed Business Information, Inc.

Lovely book! I bought a used copy and, despite being from 2001, the styles still hold up today!

Very enjoyable book.

I used this book a lot when I was still working in design. there are so many great ideas that cover a
