You have been chosen to help establish the Kingdom on earth! In Bible times, apostolos was a word used by the Greeks and Romans to describe special military envoys who were handpicked, given all power and authority, and charged to subdue, conquer, train and establish their kingdom in new territories. Today we translate this word as apostle. And today we are still being called, like the first-century apostles, to subdue and conquer the enemy. To instruct, train and establish the Kingdom in people's hearts. But if we are to see the Church fulfill her mission--advancing the Kingdom--we need to understand her apostolic dimension. With clarity and insight, bestselling author John Eckhardt clarifies the gift and functions of apostolic ministry. He shows how to discern the difference between the office of apostle and the gifting and calling of every believer--including

you. And he reveals how you can restore this vital identity to yourself and to the Church. War for the souls of humankind is being waged. You have been handpicked to fight back, to expand the Kingdom, to move in the apostolic. This book has been both practical and eye openings -- definitely recommend for anyone who wants to spiritual grow into a deeper understanding apostolic ministry.

This was a gift. The recipient liked it very much.

Great book, John Eckhardt did a superb job on writing this book.

I did not grow up in churches that talked about the five-fold ministries, so I really didn't have a handle on the apostolic ministry or what an apostolic church might look like. This book was very helpful and clarifying.
