Dork Diaries 10 2> Okay, I've tried REALLY hard to be polite about all of this! But . . . SORRY!! I JUST CAN'T TAKE IT ANYMORE!! If I hear MacKenzie Hollister's

name one more time, I'm going to . . . SCREAM!!! I can't believe everyone at this school is STILL talking about her. It's like they're obsessed or something!

"If MacKenzie were here, she'd LOVE this!"

"If MacKenzie were here, she'd HATE that!"

"This school will never be the same without MacKenzie!"

"OMG! I miss MacKenzie SO much! MACKENZIE! MACKENZIE! MACKENZIE !! ME, HAVING A COMPLETE NERVOUS BREAKDOWN BECAUSE I'M SO SICK OF EVERYONE TALKING ABOUT MACKENZIE! Listen up, people! MacKenzie's been GONE for an entire week, and she's NOT coming back!! So cry yourself a river, build a bridge, and get over it already!! Okay, I'll admit it. I was as shocked and surprised as everyone else when she left so abruptly. But MacKenzie HATED MY GUTS and made my life totally MISERABLE. And, to be honest, it seems like she's STILL here. I know this sounds weird, but it's almost like I can FEEL her presence even now as I'm writing in my diary. But that's probably because the TACKY JUNK kids are leaving for her IS HOGGING UP ALL THE SPACE AT MY LOCKER !!!! ME, TOTALLY DISGUSTED BY THE JUNK HOGGING UP MY SPACE !!! I'm sure she's LOVING that her former ex-BFF, Jessica, turned her empty locker into a "We Miss You, MacKenzie!" shrine, complete with its own Facebook page! PUH-LEEZE!! It's obvious to me that MacKenzie is STILL manipulating students. Especially after that very pathetic and overdramatic FAREWELL LETTER she e-mailed to our school newspaper this morning. The editor actually published it online for the entire school to read. OMG! MacKenzie went on and on about how she was tired of the needless suffering and had decided to end it all by moving on to a much better place. I'm sure she said all that stuff to make everyone feel SORRY for her. Just in case I decide to EXPOSE all the TERRIBLE things she did before she left. Just thinking about all this is making me so ANGRY I could chew . . . ROCKS !! I know I probably shouldn't say this, because it's kind of rude. MacKenzie reminds me of one of those disposable baby diapers!! Why? THEY'RE BOTH PLASTIC, TOTALLY SELF-ABSORBED, AND FULL OF POOP!!! STILL haven't gotten over all the mean stuff MacKenzie did. Like stealing my diary, breaking into my Miss Know-It-All website, sending really mean fake advice letters to students, and spreading lies and nasty rumors. And now SHE'S playing the victim just because of a silly video someone sent around of her freaking out over a bug in her hair?! Yeah, right! Anyway, MacKenzie ended her so-called suffering at Westchester Country Day Middle School by moving on to a so-called better place. . . . Namely, North Hampton Hills International Academy! It's a really posh prep school for the children

of celebs, politicians, business tycoons, and royalty. Although, now that I think about it, MacKenzie just might fit in with the royalty at that school. Because she's the biggest DRAMA QUEEN in the history of the universe !! . . . MACKENZIE, THE DRAMA QUEEN! Everyone is also RAVING about her new school. According to MacKenzie, it has a French chef, a Starbucks, riding stables, a spa, a helicopter landing pad, and a plaza of designer boutiques so kids can shop during lunch and after school hours. And get this! She said her school has ATM machines in every hall, right next to drinking fountains that dispense seven different fruit-flavored waters. But MacKenzie is such a pathological LIAR, I was starting to wonder if her FAB school even existed. I wouldn't have been a bit surprised if she'd completely made it up just to impress everyone, when she's really being homeschooled. So I googled the school and actually found its official website. OMG! I could NOT believe my eyes! . . . Calling North Hampton Hills International Academy "POSH" is an understatement! That place is AMAZING!!! It reminds me a lot of Harry Potter's school, Hogwarts. I just hope MacKenzie is finally happy (assuming she actually even goes there). Hmm . . . I wonder if North Hampton Hills would award a full scholarship to a very deserving student in exchange for BUG extermination services? JUST KIDDING !! But hey, it wouldn't be the first school to make a deal like that. RIGHT?! Anyway, now that MacKenzie is gone, MY life is going to be PERFECT ! And DRAMA FREE ! Well, I need to stop ranting writing and get going. I'm supposed to meet Chloe, Zoey, and Brandon at the CupCakery in twenty minutes, and I STILL need to change into my favorite dress. The cupcakes there are to DIE for!! SQUEEEEEEEEEEE !!

This book is appropriate for all ages, me and my mom love this book. We read every night before I go to bed. I suggested getting this book. it is about a dorky girl with a romance, getting bullied. Meanwhile her bully gets a surprise! 10/10 book!!!

My seven and a half year old LOVES these books. Since finishing the school year in June she has already read six of them and it's only the second day of August.

good kids books, my daughter loves them

These books are amazing! My 10yr old almost 11yr old has been reading this series since they came out and she loves them. They are perfect for her age and do not touch on anything that could be construed as an issue. She looks forward to each book as it comes out and is really looking

forward to the the movie adaptation that is set to release in 2016.

I can't say I've read this book but I have watched my daughter read it at night during reading time. She smiles and laughs out loud a lot while reading this book. She likes to talk about it with me, and has read it more than once. A great investment for young readers to add to your kid's Dork Diaries collection.

My daughter loves these books. She reads them over and over again in her spare time. (9 year old). She's even saving her own money to preorders the next one!

My 9 year old daughter has read all the Dork diaries. She was excited I ordered this one for her. She inhales books so she read it in a few hours.

These books are like literary crack cocaine for kids. My daughter absolutely goes nuts for these. It takes her less than a day to read one because she can't stop!
