Magical Candle Crafting: Create Your Own Candles For Spells & Rituals

Synopsis

Would you like to add a spark of enchantment to your spiritual path and light up your home with a special, warm glow? Candle making is a fun and powerful way to infuse personal energy into your practice and your life. Filled with creative candle recipes and spells, *Magical Candle Crafting* is a friendly, hands-on guide to making votive candles using inexpensive, easy-to-find items. Ember Grant takes you through each step, from mixing and pouring the wax to choosing magically potent ingredients to charging your candle with energy. Learn to craft candles for rituals specific to the elements, days of the week, chakras, moon phases, planets, and all sabbats on the Wheel of the Year. Discover how to make spell candles for prosperity, love, romance, healing, inspiration, and each of your goals. Further empower your creations with timing guidelines, plus: *•* Inspiring design and decoration ideas *•* Recipes for meditation, rejuvenation, grounding, and mood enhancement *•* Suggestions for herbs, essential oils, crystals, chants, symbols, and other helpful correspondences

Customer Reviews

Ember Grant (Missouri) has been collecting rocks and minerals for thirty years and practicing crystal magic for fifteen. Since 2003, she has contributed to Llewellyn's *Magical Almanac*, Llewellyn's *Herbal Almanac*, Llewellyn's *Spell-A-Day Almanac*, and Llewellyn's *Witches' Calendar*. Her writing has also appeared in *PanGaia*, *newWitch*, and *Circle* magazine.

Nice crafting candle book. I need something to give me ideas about candle making. I found this one and it is a nice book for learning how to make candles.

Explained very well

Not bad!

Much very useful information

I had high hopes for this book, but I was sadly disappointed. And since I bought the Kindle version, I can't even resell it. Half of the book is on the history of candles and then another portion of it is on magick. As a practicing Wiccan, I think the in-depth Wicca information should have been left to a book on that particular subject and not in a book about candle-making. Less than 1/2 of the book had actual information on candle-making, and anything mentioned I could get for free online. Bummer.

Great instuctions (easy to follow)Great insight to the Magical uses of candles. Good references and organization of the subject. I'll use this as my main reference in this area.

I really like this book. I've been making candles for most of my life but this really introduced me to a new way of magickal candle making. It comes with basic instructions then a good number of magickal recipes with short chants to say over the candle. I haven't made any of the recipes in here yet but am excited to try some.

This is exactly what I wanted. Candle making in and of itself, is a straight forward and satisfying craft. I wanted solid information guiding me through the process of infusing my candles with various energy (intentions) and this book delivers in a clear and concise manner. A lot of the information reviews basic Wiccan practice, but Ember Grant keeps the information short and to the point. I also like having so much valuable information in one source. I'm already planning my first magical candle session. I'm sure I will be using this as a solid reference book many times over. Thank you!
