Collaring The Bimbo Pet: Taming The Brat (Bimbo Pets Book 2)

Synopsis

Kyle was a man with a problem, a brat problem. There was a young woman living under his roof and she was a menace to deal with, a woman who whined and complained until she got everything she wanted, no matter how much he refused to bend to her desires. He was seriously sick of her attitude and he wanted shut of her; he wanted her gone. Then a special parcel arrived on his doorstep, a parcel that showed him another solution to his situation. The bimbo collar has made its way into another home and again it offers change for whoever agrees to test it out. All Kyle has to do is find somebody to put it on to see the magic happen and an unruly brat who refuses to behave herself seems like the perfect specimen. Will the collar be able to save the household from collapse? Will it be able to turn the annoying brat into a purrfect young lady for him? Of course there is only one way to find out.
