Drawing Cute Birds In Colored Pencil

Synopsis

Learn how to draw your favorite feathered friends! It's one thing to watch birds fly outside your window, but what if you were able to draw the cutest ones! Drawing Cute Birds in Colored Pencil offers simple step-by-step drawing instructions that help you to learn how to draw your favorite birds. Adorable birds like robins, owls, penguins, and bluebirds come alive with vibrant color and beautiful detail on the paper, thanks to the how-to guide in this clever book. Sharpen your best colored pencils because you'll be using them to add loads of colored feathers, little beaks, and fine details in your drawings. Before you know it, you'll be surrounded by a wide array of beautiful feathered friends.

This book is so delightful! So many different birds that you can draw. My grandchildren love it! It came so fast, I couldn't believe it!!!

Great.

Granddaughter is a bird fanatic and awesome bird drawer. This book is expertly illustrated, contains great tips, and the many included facts about wings, feathers, feet, etc really captured her interest.

So many different birds as well as so many great skills to learn from this Book for anyone at any age. And a little personal experience from the author as a kid at a zoo
