This book made Veterinary Reproduction much easier than expected! Excellent pictures and well explained sections! Can only recommend!!!!

I love it and good condition text book and is worth it and help me study.

Came in perfect condition and really helped me in my studies!

Excellent handbook of reproduction physiology.

Great book, easy to read, awesome figures and tables to help explain. Loved the interesting facts at the end of each chapter

great

Great book.

this book has a lot of information on the reproduction of many animals and helps you learn the process. good book for college level learning.
