Beautiful and memorable pics!

I wish you could see some of the pictures in this book online, because it is a very nice book. I bought this because I am getting married in Hawaii and wanted a guest book that had some use afterward. This book is perfect! It is just the right size and has beautiful pictures.

Wish the pics filled the pages.

Visited the Hawaiian Islands this year, and this book is full of photographs that take you right back to the beauty of the islands. It's like a photo album by a professional photographer.

Too small of pages to get real effect
