# Protection Of Magic: The Revelations Of Oriceran (The Leira Chronicles Book 3)

## Synopsis

There are some on our planet who believe you can't handle the truth, so the truth has been hidden for millennia. The only problem is the truth is coming back. Early. The magic has returned, but it's not what Leira was expecting. Her powers continue to grow but will she have enough magic to fight off the dark forces on her own? It may take an entire magical community to fight off what's coming from the world in between. The troll is loose on the town for a night on his own. However, when it counts he fights right by Leira's side. Welcome to The Revelations of Oriceran. Because some believe you can't handle the truth.

## Customer Reviews

Fascinating tale with very interesting and varied characters. I found myself laughing throughout this series and have become a big fan. The troll is just so cute and intriguing. You know there is so

much more to him. I look forward to finding out the history with Turner and the Berens family. So glad that Eireka is back to life and Nana can add her power to the good fight saving the veil and both worlds. And of course bring the Dark ones to justice!!! I will follow! What a great team ... Leira Hagen and Correk and don't forget Cohen. Hmmmm. What will happen there?

He's back, He's bad, He's bashful (with little girls), and He's a brawler. The troll will bring joy to your heart, and tears to your eyes. And the story of Leira continues to unfold. I won't tell you what happens, but you will miss a hella good book if you pass this one by...Me, I am waiting for the next book, patiently....NOT. But I won't pester the author with demands... she is a Lady, but I might plead a little excessively. (hint, hint)

This series is awesome and I highly recommend it. Of course I've come to expect nothing less from a team like Martha and Magic Mike. The characters are quickly becoming like long lost friends you can't wait to catch up with. I love the troll Martha has created. He's like the fortune in a fortune cookie. You just never know what he will do or say. Keep up the books coming!

No oops about it, She's done it again. Love this series. So much more to come! Love where it's headed. Magical Mike Yoda and Martha have created a wonderful universe to immerse yourself in. Get your troll on.

A very good story. Smooth reading, very entertaining, really hard to put down. So what more do you want from a book? Ms. Carr has shown she is becoming a very good author. Can't wait for the next!

This series is finally developing. There are added new characters, resolutions to the missing mother and grandmother. It's a book about friendship making it a fun guilty pleasure.

Love the troll! Storyline is amazing. Characters have wonderful depth. Leira is strong and fearless. Bring on the next book!!

There aren't enough good words too describe this series and these two authors.. A magical detective with her "tribe" solving cases, fighting the dark and of course trying to keep track of the hilarious troll. Can't wait for more.
