Customer Reviews

Indonesia is a unique country in my opinion, because it consists of a lot of islands. Therefore it's really interesting to explore, especially for people who likes to explore new places, like me. So I need a travel guide before going there, and this book really helps me out. As you can see from the title, this book explains the top 12 places, but I believe there are a lot more. I've been to Jakarta and Bali before, but that's only 2 out of those 12 places, so I'll definitely go back to Indonesia, to explore the other 10, and even more if possible. The author made a great job explaining things, it's easy to follow and I highly recommend this book to you if you want to visit Indonesia soon.

I really liked the way this book introduced Indonesia to me. Quick and easy to follow with almost everything I need to know. I always loved to visit this beautiful country I this book inspired me even more.
