The Blue Book: A Devotional Guide For Every Season Of Your Life

Synopsis

A year-long devotional guide designed to offer space and structure, Scripture and prayers, as well as readings and reflections for your daily time with God. The hope is that through using this book you might discover the ancient rhythms that were whispered into you when God breathed you into being.

Customer Reviews

Jim Branch is an incredibly ordinary guy that longs to live a life of extraordinary depth and quality. He is a fellow journeyer and pilgrim, just trying his best to understand daily the depths of God's great love and affection. He has been in ministry for over thirty years, eighteen of those with Young Life, and loves seeing people of all ages come to know Jesus in the most intimate way possible. He is married to the love of his life and best friend, Carol, and they have three incredible adult children: Tim, Michelle, and Hunter

I had heard of the outstanding merit of The Blue Book, and thus was delighted to hear of the process to restart printings of it. Hence I purchased it as soon as I was informed of its availability. After the fashion of the devotional Disciplines for the Inner Life, the format is indeed of multifaceted excellence. If one wants to supplement The Bible with a single resource that addresses every hue of the spiritual spectrum, The Blue Book is a treasure for daily nourishment. It will surely last for a lifetime of growth in Christ, as it brings something new with each reading. The page set-up and font spacing are thoughtfully chosen for pleasurable reading. The missing star in my rating, however, is

due to an inking issue of a sort that likely affects only such as I, who experience the benign nuisance of age-related eyesight deficiency. The print in my copy is just not dark enough, as though the book were produced on a copier that was starting to run out of ink. For my somewhat aging eyes, this makes it a slight strain to read, even in brief doses. I have deduced that the return to print was a labor of love. As such, I especially hope the print shortcoming would not deter anyone's inclination to buy the book. Nonetheless if there would be a printing with truly black ink, I would gladly purchase such a copy, and pass along my current book to a younger person who wouldn't think twice about the depth of ink color. Again, if you want a devotional to enhance your walk with God, this is a consummate Bible companion.

I love the format of The Blue Book! It is designed so you can spend 10 minutes or an hour on your devotional. It has great flexibility, but the depth of the reflections each week have been life changing. I would strongly recommend it to anyone looking for a plan to help them develop a deeper relationship with God.

Favorite devotional ever. I've used this book for years, I got it from my youth leader, but the copy was getting very old. I recommended it to a friend who told me it was now on !

Good devotional book.

The Blue Book has been my companion for over two years... since I was given an earlier edition. The prayer format makes it a great guide for times in the Word around a very significant themes. He has orchestrated the themes of this book to touch every corner of your soul. Enjoy and drink deeply!

This is bar none the best devotional book I've ever used. It covers all the bases of scripture reading, prayer, meditation and thought, journaling, and reading the greats of the Faith. I can't imagine my daily time with the Lord without it!

This book was recommended by a friend who has used it for 10 years. It is a logical next step to for a more in-depth study for my quiet time. It is easy to use and I know will help deepen my relationship with God by spending more time in the word, prayer and reflection.

Scripture, music, and reflective readings..relational
