AMP has a passion for publishing original talent, delighting consumers with innovative books and gifts that are worth sharing. It is also the nation's top calendar publisher, producing calendars based on many top-selling properties and selling more than 15 million calendars each year.

Item is just like it was describe.

Umm...I guess I didn't pay attention to the dimensions, and assumed it was the size of a normal desk calendar. It is TINY!

The quips were pretty stupid. It is very very small which worked for me but might not for some.

Some are great tips, some are hilarious, some are eh but I love this little Calendar! Perfect for the

desk

Very tiny!
