# **The Boy Behind The Curtain: Notes From An Australian Life**

## Synopsis

The Boy Behind the Curtain is a portrait of a life, a place and a man. In this deeply personal collection of true stories and essays Tim Winton shows how moments from his childhood and life growing up have shaped his views on class, faith, fundamentalism, the environment, and - most pressingly - how all his experiences have made him a writer. From unexpected links between car crashes and faith, surfing and writing, to the story of his upbringing in the changing Australian landscape, The Boy Behind the Curtain is an impassioned, funny, joyous, astonishing collection of memories, and Winton's most personal book to date.

## Customer Reviews

Gives you much to think about when he writes his opinions on the world and life.

Fascinating memoir by an excellent author - refreshing, real, and though provoking. For those familiar with his fictional work it is most interesting to see how he is inspired by his own stories and context.

Winton is Australia's premier novelist. It doesn't matter what he is writing on it is always a pleasure to enjoy his prose.

Wonderful as only Tim Winton can be. Easy read as each chapter covers a different stage of Tim's life.

This was the first book I have read by Tim Winton I loved it and am now reading Eyrie

Excellent!

I am the same age as Tim Winton and a number of story lines took me back to the early sixties when Australian beach culture dictated so much of our way of life

A fascinating look into day to day things that we should be aware of. Great read
