"I found it highly readable, most comprehensive, and flawlessly organized. I think it's the best book of its kind that I have read, and I have been down here for 25 years."

• Alejandro Grattan-Dominguez Editor-in-Chief, El Ojo del Lago Magazine

"I've lived at Lakeside for ten years now, and coordinate the Information Desk at the Lake Chapala Society. Yet I'm amazed at how much I learned reading this book. I fully intend to keep a copy at the Information Desk, and suggest all the volunteers familiarize themselves with it."

• Harriet Hart Lakeside writer

"I thoroughly enjoyed the read. I wish I had your book available when I moved here 8 years ago. It certainly would have made life simpler and more interesting."

• Howard Feldstein President, Lake Chapala Society

"A valuable resource for anyone visiting or moving to Lake Chapala. If you can, buy it before you come. At the very least, buy it the moment you arrive. Having this book when I moved here 11 years ago would have saved me many missteps and countless hours of research."

• Judy Dykstra-Brown Lakeside writer and artist

Customer Reviews

The content is generally good with many things I wouldn't have thought to ask about. However, the Kindle download (for viewing on my PC) doesn't have page numbers which makes browsing difficult. Next time I'd download directly from the publisher's site and view with another program. Also, the tips for finding realtors isn't helpful, since the two the author recommends have very few listings.

Received book quickly in excellent condition. Book was as promised with lots of very helpful information, and lots to thing about. The priority lists and step by step checklists seem to be helpful. The book answered lots of my questions.

I found this book to be quite interesting and very helpful. It's packed with info you'll need on moving to Mexico and how to make it happen. I came away with a very good idea on how to relocate and what to expect once I moved into this area. I was pleased with this purchase.

I am moving next spring and am taking all of her advice to heart...and I hope to meet you Lakeside!

Very helpful book for someone looking to move to Mexico.

The book had a great wealth of good and relevant information. I can't wait to get there.

This is a great nuts and bolts guide to all the ins and outs of establishing oneself at Chapala. I am not there yet, but this will be my handbook when I DO go.

Lots of very interesting information. Answered a lot of my questions
