PATHFINDER Pathfinder 06 - Cotswolds

Customer Reviews

There are 28 walks included and all excellently laid out and delivered. I only had a chance to test one of them because most maps weren't in the area of the Cotswolds I visited. That would be my only suggestion: before buying, make sure it includes more than one map you can use.

The map with the location marked of the individual walks was helpful. Details seem more than adequate - will take this book with me on my walk.
