Synopsis

Buy a new version of this Connected Casebook and receive ACCESS to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes portability, meaningful feedback, and greater efficiency. From a preeminent authorship team, Criminal Law and its Processes: Cases and Materials, Tenth Edition, continues in the tradition of its best-selling predecessors by providing students not only with a cohesive policy framework through which they can understand and examine the use of criminal laws as a means for social control but also analytic tools to understand and apply important criminal law doctrines. Instead of presenting the elements of various crimes in a disjointed fashion, Criminal Law and its Processes: Cases and Materials focuses on having students develop a nuanced understanding of the underlying principles, rules, and policy rationales that inform all criminal laws. A cases-and-notes pedagogy along with scholarly excerpts, questions, and notes, provides students with a rich foundation for not only the academic examination of criminal laws but also the application of the law to real-world scenarios. Features: Retains prior edition's principal cases and Notes and Questions approach to explain and probe fundamental concepts. Notes updated to incorporate contemporary cases and recent news touching on criminal law. Inclusion of additional preeminent cases in the field of criminal law, including: *Yates v. United States*, 135 S. Ct. 1074, (Supreme Court application of common statutory interpretation techniques and the rule of lenity) *Rosamond v. United States*, 134 S. Ct. 1240, (Supreme Court examination of accomplice liability) *Perry v. Florida* (examination of the agreement requirement for conspiracy through the lens of a Florida sexual battery offense). Theft (chapter 9) substantially revised to include new principal case dealing with trespassers takers in the credit card context. Expanded discussion of: mass incarceration and prosecutorial/law enforcement discretion; and, the intersections between race and criminal law CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center. Customer Reviews

The book was okay. I found that the pages were incredibly thin and were very tear prone. I bought the looseleaf version and was expecting that (like all other looseleaf textbooks I have purchased) the pages would be hole-punched for a standard three-ring binder, but they were not. The holes were slightly too close together and the pages would have torn if I had tried to force the issue. We tried to contact the publisher to find out if there was a special binder to hold the pages, but never heard back. So, I ended up with a 1200+ page looseleaf book and no way to take it to class or even keep it safely at home without ruining it. I didn't use the code, so I can't say anything about the online access. Overall, NOT worth over \$200.

Excellent
