awesome hardcover book of ideas

Even though I don't make a lot of crafts, this is a fun reference book with clear instructions and good pictures.

good book, for holiday projects. easy to use.

I bought this book several years ago, and continue to come back to it for ideas. Each holiday featured has more than just a couple ideas - it has several. The section on Valentine's Day alone has 21 projects. It also has projects for New Years and Independence Day, along with the more widely covered holidays. The photographs are the beautiful quality one expects from Martha Stewart's books. This one will remain in my library for years to come.
