# Aircraft Repossession Enforcement Practical Aspects Volume II (Kluwer Law International: International Bar Association)

## Synopsis

Adding a second volume to the peerless country-by-country guide first published in February 2009, this book brings lessors, financiers, and operators valuable assistance in the management of aircraft during default periods and repossession proceedings in an additional 14 jurisdictions, bringing the total jurisdictions covered to 46. The two-volume set is also of great value as a preventive guide on issues arising in aircraft finance or lease transactions, especially in the drafting of associated contracts. Defaults, workouts, and repossessions of aircraft are still on the rise globally, and the situations that can lead to, or arise after, an event of default remain literally endless. This is the best way to be prepared for virtually any contingency.

## Book Information

Series: Kluwer Law International: International Bar Association

Hardcover: 504 pages

Publisher: Kluwer Law International (August 20, 2010)

Language: English

ISBN-10: 9041132511
