Saints And Sinners: The St. Titus Bridge Challenge

Synopsis

David Bird's witty stories about the bridge-playing monks of St Titus and their obnoxious Abbot appear regularly in bridge magazines throughout North America and the UK, and have formed the basis of several previous collections. This latest book is presented in a new quiz format, so that readers can try to solve the bridge problems before the monks themselves encounter them; at the end of the book, an annotated Answers section allows readers to rate their own game.
