New Testament: New Revised Standard Version

Synopsis

The NRSV first appeared in 1989 and has received the widest acclaim and broadest support from academics and church leaders of any modern English translation. Rooted in the past, but right for today, the NRSV continues the tradition of William Tyndale, the King James Version, the American Standard Version, and the Revised Standard Version. Equally important, it sets a new standard for the 21st Century. The NRSV stands out among the many translations because it is "as literal as possible" in adhering to the ancient texts and only "as free as necessary" to make the meaning clear in graceful, understandable English. It draws on newly available sources that increase our understanding of many previously obscure biblical passages. These sources include new-found manuscripts, the Dead Sea Scrolls, other texts, inscriptions, and archaeological finds from the ancient Near East, and new understandings of Greek and Hebrew grammar. --This text refers to the MP3 CD edition.

Book Information

Audible Audio Edition

Listening Length: 18 hours and 44 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Oasis Audio

Audible.com Release Date: February 7, 2006

Best Sellers Rank: #26 in Books > Audible Audiobooks > Religion & Spirituality > Bibles
#1177 in Books > Christian Books & Bibles > Bibles #32931 in Books > Religion & Spirituality

Customer Reviews

Great translation- read by a very a talented narrator, Marquis Laughlin, but a little too expressive for my taste. For example each miracle is described in very emotional tones that, for me, distract rather than amplify. It's a good version for families on a long trip, but it didn't suit my purpose. I was looking for a more contemplative tone. I hope this was helpful! Peace

Taking a one year course on the New Testament. This is great for listening while driving or reading along at home. This is an experience that aficionados of scripture must take. Recall for millennia the

Christian was illiterate and hearing the scripture read was the primary way it was communicated. Solid case and well labeled CDs. Seek function gets you to the beginning of a book easily. Had trouble using with an ancient CD player and the publisher customer support called me back within 24 hours of leaving a message and was very polite.

I enjoyed it, and it was very informative.

The reader is understandable and very expressive. He brings to life the characters of the Bible. The New Revised Standard Version is easy to follow. I highly recommend this CD set for someone who would like to listen to the New Testament being read.

THE VOICE IS JUST PERFECT. ITS LIKE LISTENING TO A STORY BEING TOLD. I HIGHLY RECOMMEND THE TAPES.
