Anna E. Brooke relocated from her native Britain to Paris in 2000 and hasn't looked back since. She is now a full-fledged bohemian, juggling life between freelance travel writing (Frommer's, Sunday New York Times Travel, Time Out Paris and the Financial Times), children's fiction, acting and songwriting for film and her electro-pop band, Monkey Anna ([soundcloud.com/monkeyanna](https://soundcloud.com/monkeyanna)).

This book was fantastic! Especially the History and then the places to see that related. The cross referencing throughout the book was so helpful. Great map and was my favorite Metro map! Thanks for helping to make my trip even better

This guide really helped me to plan my trip to Paris. It gave great insight on all the things I wanted to do and brought up things I hadn't considered (pick pockets!). Very informative, very interesting and I think having all the information in one book made it easier to plan my trip

These are my go to guides anytime I travel. I bought this one as a gift for someone going to Paris for the first time and she has mentioned a couple times how great it is.

Received quickly, good overview

Very helpful and slightly different than most of the typical guides.

Usual great job

OK

Great book for exploring Paris.
