Customer Reviews

As someone who has been riding and maintaining the trails of north Georgia since the 1980s, I began using the Georgia mountain bike guidebook by Jim Parham when it was first published in 1993. It put our region on the map. Mountain Bike Trails: North Georgia Mountains, Southeast Tennessee shows that Jim is still on the cutting edge of the sport. Trust this book to put you on the right track. --Mike Palmeri, Cartecay River Bike Shop, Ellijay, GA

Since publishing his first mountain bike guide in 1992, Jim Parham has written more than a dozen adventure guidebooks for hiking, backpacking, mountain biking and road biking in the Southeast, and drawn his signature trail maps for numerous guides by other authors. A native North Carolinian who grew up in north Georgia and lived for years in east Tennessee, he now resides on the North

Carolina side of the Great Smoky Mountains.
