Customer Reviews

A true Southerner, self-taught photographer Rick Day moved to New York City in 1994 and has become a noted name in Fashion Photography. His work has been published in numerous publications such as "Elle", "Details", "Teen Vogue" and "GQ" and shot advertising campaigns for Gap, Ritani and Rufskin. When not traveling, he spends his time in the East Village with his dogs Mila and Luna always shooting the hottest faces in the industry. In a generation where beauty is

obsession and sex is a product, he seems to have flawlessly "cataloged the world's sexiest exhibitionists," in their most intimate moments, with his coffee table books "Players" and "Pioneers".

Very high quality photos of some very attractive guys, some nude, in a large format. I could do without the frontal nudity; I prefer that some things be left to the imagination.
