# A Romance With French Living: Interiors Inspired By Classic French Style

## Synopsis

A Romance with French Living provides a glimpse into Carolyn Westbrook's world, where treasured antiques and vintage finds, perfectly faded fabrics and timeworn furniture blend, seemingly effortlessly, in superb interiors that are both relaxing and chic, inspired by French style. Part One • French-inspired Interiors showcases Carolyn's love for designing interiors, decorating, and creating relaxed and welcoming rooms. Essentially French shows how to adapt classic French style to suit modern-day living, and this ethos is carried through to the chapters on A Cottage in The Country and Urban Farmhouse. Part Two • It's All in The Detail concentrates on adding those all-important finishing touches to a room, whether it's antique leatherbound books, cherished items gathered on overseas travel, or swathes of Carolyn's much-loved white linen, from vintage French linen bedsheets finding a new life as tablecloths and curtains to pristine bed linen and smart upholstery. The final section of the book focuses on entertaining and celebrations, from a country barn party to a bridal shower and an intimate family wedding at Carolyn's own home, The Oaks Plantation in Texas.

Pretty pictures, interesting book...I like that EACH PAGE has a description...I don't have to turn pages back and forth to see what I am reading.

WONDERFUL !

Overall it is a good book. Wish it had more detail and more pictures. Could do without the wedding and party sections.

Not crazy about this book. Photos nice but nothing I haven't seen. Minamalist design which isn't me. OK.

Excellent condition and love the book-don't hesitate to purchase.

Beautiful coffee books.

I love Carolyn Westbrook's previous books. This one is equally as gorgeous.

Beautiful book; have Ms. Westbrook's others book, none disappoint.
