I absolutely love to color as it's a great stress relief. Over the years I've collected many coloring books - but since I found Bennett Klein that has changed. His work is simply amazing. He has such a wide variety of designs in one book. Some books have the same type of design over and over and over. Not these books. I absolutely love the wide variety of designs. I have his entire collection and I sit on the edge of my seat waiting for his newest release. You won't be disappointed when purchasing a book from Bennett. You'll be addicted as well. Also check out his group on Facebook - you can see for yourself all his designs colored and how supportive he is of all his followers.

Love this book! I'm a big fan of Bennett Klein's work and like these Greatest Hits books where he pulls from other books. This one has 35 pics in it on good quality paper.

BK has one of the best imaginations for whimsical fun coloring books.
