Since 1980, she has served on the staff of Life Action Ministries, a revival ministry based in Niles, Michigan. Nancy makes the Scriptures come alive and urges personal obedience to its truth. She communicates a love for the Word and for the Lord Jesus that is infectious!

High quality reading of select psalms with beautiful appropriate background music. I keep it in my car disc player and hear the Psalms whenever I drive. Excellent!

Product came quickly and was in fine condition. It is spoken with a lot of feeling and conveys the emotion in each psalm well. Nancy's voice is pleasant and easy to understand. Background music is a wonderful addition to the meditation. I highly recommend this to anyone studying or meditating on the psalms.

## RECEIVED IN GREAT CONDITION

I bought two of these CD and gave one to a new widow. She....and I....rave about this resource.

I like this CD so much that I purchased two! My first one got scratched and I was so upset. I have played this for bedtime for my children and even myself. Nancy reads scriptures with lovely background music. It is very well put together.

it is ok i was looking for all the psalms my mistake

This is an awesome cd. Nancy Leigh DeMoss has such a soft & pleasant voice. I mixed the cd with some worship music in between the chapters. I listen on my Ipod & it makes for a wonderful devotional experience.
