Creepy Susie: And 13 Other Tragic Tales For Troubled Children

Synopsis

Creepy Susie. Mary Had a Little Chainsaw. Milo's Disorder. Rosie's Crazy Mother. The Siamese Quadruplets. Emily Amputee. Your mother never told you these stories. She didn't want to scare you. But Angus Oblong is not your mother. If Edgar Allan Poe and David Lynch wrote a book, it might be as warped, wicked, and perversely funny as this treasury of twisted tales from childhood's Twilight Zone. So don't be alarmed if you find yourself screaming . . . with laughter . . . until the day you die. Which may be very soon . . . From the Hardcover edition.

Creepy Susie. Mary Had a Little Chainsaw. Milo's Disorder. Rosie's Crazy Mother. The Siamese Quadruplets. Emily Amputee. Your mother never told you these stories. She didn't want to scare you. But Angus Oblong is not your mother. If Edgar Allan Poe and David Lynch wrote a book, it might be as warped, wicked, and perversely funny as this treasury of twisted tales from childhood's Twilight Zone. So don't be alarmed if you find yourself screaming . . . with laughter . . . until the day you die. Which may be very soon . . . "From the Hardcover edition.

Angus Oblong is legally insane and an avid collector of dead trees that clutter his tiny unlit studio apartment. His fascination with physical deformities stems from the fact that a living, movable right hand is growing from the center of his back. Otherwise, he is perfectly normal.

This fine, highbrow piece of untimely literature should be required reading for all humans, deformed

or not. It is not only the most intelligent book I've ever written, but the most intimate and intense look into the human soul since that one book about that guy who did all that stuff, I forget what it's called.

What fun !

Loved this!!

Not quite what I was expecting, but still funny. The cartoon, "The Oblongs" was much better. But this book most definitely NOT for children. It features nudity and a lot of adult themes. But if you are an adult that likes really weird cartoony stuff, then this is the book for you.

Factory defect on some pages but still good,

Meh. It was okay. Forgettable stories really. Mediocre comedy. Im not really into poo jokes, but some folks like them. Show was much better.

I first learned about this book from my sister. It is one of my nephew's favorite books. I found it to be really funny in a warped way. If you like things like MST 3000, this is for you. It is just as funny as "The Melancholy Death of Oyster Boy & Other Stories " by Tim Burton I would not recommend it for the under 15 crowd. This is NOT suitable for elementary school.

This book is as twisted as it is great adult humor. If you liked the short lived series, you'll like this book.
