A Complete Guide To Guernsey

Synopsis

Here Robin Mead gives the lowdown on one of the UK's hidden gems - Guernsey - where to stay, what to eat and where to go. Britain's sunniest holiday islands are strange because they have a distinctly French feel about them. And no wonder. Guernsey and her sister islands in the group known as the Channel Islands - Jersey, Alderney, Sark, Herm and Jethou - may be British in both law and loyalty, but geographically they are undoubtedly a part of France. They lie between 60 and 100 miles south of the British mainland, in the inverted L-shape formed by the coasts of Normandy and Brittany, and in clear weather the French coast, as little as eight miles away, is clearly visible. A Bookopedia Compact book The perfect travel companion

Book Information

File Size: 121 KB

Print Length: 27 pages

Publisher: Bookopedia Compact (August 22, 2012)

Publication Date: August 22, 2012

Sold by: Amazon Digital Services LLC

Language: English

ASIN: B0091J2STM

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Enabled
