Customer Reviews

This book put me in the same track Joyce - Stephen Dedalus - took when writing Ulysses: houses, roads, streets, tracks, people, buildings and railway station - all inclusive. One can only have the idea of where he went through by this book...

This version is the 1988 edition, differing from the earlier softcover version by its cover artwork/photography, also "extensively revised and rewritten," with "additional maps and photographs." [from the title page]. Published by Wolfhound Press, Dublin, Ireland.
