Public Speaking (8th Edition)

Synopsis

Centered around three core objectives – helping readers develop vital communication skills, encouraging speaker adaptability to diverse audiences, and sensitizing speakers to the ethical impact of their words – Public Speaking offers both practical advice and an understanding of why such advice works. The eighth edition concentrates on greater simplicity, clarity, and accessibility. The book offers a functional approach to informative speaking and emphasizes the ethics of persuasive speaking. These ideas come to life through examples from real, student, and professional speeches, Exploration and Application exercises at the end of each chapter, and a variety of boxed features throughout the book.

Customer Reviews

Public Speaking, 8/e Michael Osborn, University of Memphis Suzanne Osborn, University of Memphis Randall Osborn, University of Memphis – Centered around three core objectives – helping you develop vital communication skills, encouraging you to adapt as you speak to diverse audiences, and increasing your sensitivity to the ethical impact of words – Public Speaking offers you both practical advice for speaking in public and an understanding of why such advice works. The Eighth Edition concentrates on greater simplicity, clarity, and accessibility, offering you a functional approach to informative speaking and emphasizing the ethics of persuasive speaking. These ideas come to life through examples from real student and professional speeches, exercises at the end of each chapter, and a variety of boxed features throughout the text. New and Enduring Features of the Eighth Edition: Explores the speech development process from start

to finish using the Stairway to Speech Success Model to help you get started on preparing your first presentation. Addresses "Communication Anxiety" when you need it most – as you are preparing to give your first presentation. Allows you to practice skills in small group settings or on your own with the Exploration and Application Exercises found at the end of each chapter.  Public Speaking 8e is available with MySpeechLab, a dynamic, interactive online resource that gives you everything you need to succeed in your Public Speaking course – all in one easy-to-use Web site. Log on to www.myspeechlab.com and find a wealth of videos, practice exams & tests, interactive activities, and much more!

Praise for Public Speaking:  "This text is great; it can be used for first year speech courses and advanced as well. The figure charts, , Notes  all simply outperform other texts." – Dave Berg, Weber State University  "This book is unique because of its writing style. I have been pleasantly surprised to find out how much I enjoy reading the chapters and even find myself more inspired to teach and practice public speaking better. I feel that the authors write out of a sense of conviction about this craft and incorporate authentic and relevant examples to illustrate the concepts principles and ethics." – Dorothy Collins, Texas A&M University

This book is awesome!

It's a great book I needed the ninth edition but I was able to use this edition in glass it's not a big difference. The price was great!!

It was in great condition. But when you pay for overnight and it comes 5 days later don't pay for it to ever come faster it NEVER does.

i save money so much money i have more money than you,naa but good stuff for real though, yep

ONLY HAD TO BUY IF FOR CLASS

just ok

this was a book for a summer class and it was and still is in great shape. ready for soeone else to use.

My public speaking has improved but I was a great speaker to begin with. This book does tell you best ways to release your anxiety.
