## Synopsis

90 DAY PLANNER | GET THE MOST OUT OF LIFE

“Think of a ship with the complete voyage mapped out and planned. The captain and crew know exactly where the ship is going and how long it will take • it has a definite goal. And 9,999 times out of 10,000, it will get there. Now let’s take another ship and just like the first and only let’s not put a crew on it, or a captain at the helm. Let’s give it no aiming point, no goal, and no destination. We just start the engines and let it go. I think you’ll agree that if it gets out of the harbor at all, it will either sink or wind up on some deserted beach and a derelict. It can’t go anywhere because it has no destination and no guidance. It’s the same with a human being.” ~ Earl Nightingale

Horrible don't buy this. First of all you have to put in the dates. Second it only has enough pages to go from 1/24/2017 -3/13/2017 that isn't even long enough for my school semester. Hope you have nothing to do after 5pm considering that's when the time portion of the page ends. Very disappointed in this purchase.

I bought this to give as a gift but loved the way it was set up so I'm keeping it for myself.

It wasn't what I expected. I was hoping for a calendar of some sort but there wasn't any. In addition, there isn't even enough pages for the entire year. That was annoying! I just bought a new one.

I got it for a co-worker as a joke. It was perfect, not a franklin planner but enough to get him organized. Totally meant it to be funny, but he loves it and is actually uses it. People around the office have noticed the difference too when he follows them with his deliverables after meetings. Absolutely great topic peace when he brings it in to the meetings too. I plan to buy more for other people around the office. Might even get one for the wife for Valentine's Day. LOL

I love that this book because it's a great size, and because it only has 90 pages, you can use it in busy days only, instead of buying an entire calendar or planner and wasting days.

Only has about a few weeks worth of writing pages. Not an actual planner for the year.

Fun Calendar/Planner.
