Product Dimensions: 8.3 x 0.2 x 10.9 inches

Shipping Weight: 4.8 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars 10 customer reviews

Best Sellers Rank: #2,499 in Books (See Top 100 in Books) #7 in [Books > Education & Teaching > Higher & Continuing Education > Test Preparation > Graduate School > LSAT](#) #7 in [Books > Law > Legal Education > Test Preparation](#) #76 in [Books > Education & Teaching > Test Preparation](#)

Customer Reviews

The Law School Admission Council has developed and administered the LSAT on behalf of all American Bar Association-approved law schools since 1948. Their national headquarters are located in Newtown, PA.

This is one of the most recently released LSAT tests. It has four graded section as well as the ungraded writing section. However, the ungraded experimental section that is present in the real LSAT is omitted from this book. There are no explanations to the answers in this book but there is an answer key for the four graded sections. Use this as a supplement but not as your main book for studying because you need to know how you got your answers wrong.

Was exactly as expected.

Good

As of November 2016, this is the newest LSAT PrepTest. The LSAT has changed a LOT since the

oldest exams in the original book of 10, so it's necessary to get the most recent exams. If you're reading this before the year 2020. You should probably take this one as a full-length timed exam close to Test Day. Although this exam is not yet available in a book of 10, and is therefore more expensive, it's worth it. Think about how important the LSAT is to admissions (and scholarship \$). Once LSAC releases this in a book of 10, which they'll probably do after publishing PrepTest 81 in 2017, don't get these individual exams. It'll be a much better deal to get a book of 10 containing 72-81. Other books of 10 you should probably get (72-79 are only available individually right now): 62-71 52-61 Also, be aware that LSAT exams 66-present are the ONLY ones with the 2-page layout for Logic Games. Before PrepTest 66, each exam only gave you one page per LG and related Qs. Now, they give you two. Isn't that awesome? Happy studying! Feel free to reach out if you need any help with your prep.

As advertised

This is the newest LSAT preptest, as of the time of this review (Nov 2016). Get the newest test; it's the best indicator of what future tests will look like. Considering how important the LSAT is to your odds of admission, this book is well worth the price. You should also get LSAT pretests 52-78. Do most of those tests timed, and save a few in case you need to retake. Total cost of those books is around \$70-\$80. There's no better investment you could make towards a better LSAT score. For more practice, get pretests 29-38. Note that like all newer pretests, LSAT 79 has two pages for logic games, and a comparative reading passage. Graeme Blake
