What Happens When I Talk To God?: The Power Of Prayer For Boys And Girls (The Power Of A Praying Kid)

Synopsis

Combining her passion for prayer with her love for little ones, beloved writer and speaker Stormie Omartian teams with talented illustrator Shari Warren to share an important message: "It's never too early to teach a child to pray." Stormie encourages children to develop the life-changing practices of talking to God every day and explains prayer in easy-to-understand ways. With examples taken directly from the lives of young boys and girls, she helps kids get to know God, thank Him for His love and care, and ask for His help in tough times. Stormie also touches upon forgiveness, the power of praying with others, and having a relationship with Jesus as she assures children that their prayers do make a difference. Bright, contemporary watercolors depicting a broad spectrum of children accompany the text to present a beautiful picture of growing closer to God in prayer. For children ages 3 to 7.

We love this book, and read it daily. She loves the illustrations and learning about how we pray. It has helped her process her own prayers better. I would buy it again and am recommending it to friends and family.

a great book to help kids understand about prayer. Every parent should have this book and use it to help teach their children to speak to God. Ms. Omartian handles the issue of God answering prayers in a straightforward Scriptural way. This book is so good, I bought 15 copies, one for each of my Bible Class students.

My grandson (and book loving DIL) absolutely loved this book. I read through it too and the message was straightforward enough for a 6 year old and proved to be very thought provoking too.

Good way for kids to begin to understand prayrt. Not too heavy but a great introduction to the necessity and joy of being able to commune with our God, EVEN as a child

My granddaughters and I both enjoy this book so much that we have donated it to our church library so all can enjoy with us.

I thank the author and give this wonderful work. Simple story and can touch your heart deeply and you can come to God closer. Thanks. My kids love also

Books has many pictures which I love because pictures/drawings always makes the book more exciting for kids. The book is easy to read for a first grader! My 7 year old was reading it to my 4 year old. Is easy to understand. I really love that it mentions that you can pray about anything at any time.

Love this book to teach kids the importance of prayer.
