Babylon Rising: The Secret On Ararat

Synopsis

Tim LaHaye, creator of the phenomenally successful Left Behind® books, continues his newest top-ten New York Times bestselling series: Babylon Rising. The heroic Michael Murphy—“cool, brainy, sexy, and valiant”—hurts into his second whirlwind adventure in pursuit of Biblical artifacts. In Babylon Rising Tim LaHaye began an adventure series that he calls even more exciting than his 50-million-plus-copy bestselling Left Behind series. Readers agreed, as the novel debuted as a top-ten New York Times bestseller. Now, in the second Babylon Rising novel, Biblical scholar, archaeologist, professor, and hero for our times Michael Murphy is in pursuit of one of the most mysterious and sought-after of all Biblical artifacts, Noah’s Ark. As Murphy undertakes his death-defying quest to ascend Mount Ararat, he will discover dramatic revelations of Biblical prophecies and be drawn even closer to the most terrifying evil about to be unleashed on all mankind. With The Secret on Ararat following close on the heels of Glorious Appearing, the fastest-selling Left Behind novel ever, Tim LaHaye will further prove to be one of the most fascinating and popular storytellers of our time. Great research for the book. The book is exciting and keeps your attention from the beginning to the end. Well written.

If you love the Left Behind series, you will love this series of four books. Michael Murphy is an awesome main character. It brings further insight to the prophecies of the Bible.

Fantastic book! I couldn't put it down! I highly recommend it! Can't wait to read the next book in the series!

Though still a decent book, this one didn't quite catch my interest like the first book in the series. However, it did keep me interested enough to want to know what else happens to good ol' Michael Murphy (who is still a bit too good to be true, but come on, you can't help but like him!).

Great Book Series a real can't put it down book the book down Read. I couldn't wait for the next installment of the this book right up to the very end.

Great read!

I have enjoyed the easy reading of Tim Lahaye's books. I want to keep turning the page. The historical references in the book are my favorite parts. There are several areas where he repeats himself; almost as if the reader has not read any of the previous books in the series. I find this a little boring. Also, there are several misspelled words. I don't know if this is due to it being an E-book. I look forward to the next book in the series.

Excellent book! Couldn't put it down. Lots of action along with Biblical truths. Just loved it and can't wait to read his new books hopefully to come soon.
