A terrific idea bank! Teachers of all experience levels will find this book useful. --Roxann Kriete, author of *The Morning Meeting Book*

Susan Lattanzi Roser taught elementary school students for 15 years and is currently a Responsive Classroom consulting teacher. Susan is also the author of *Energizers! 88 Quick Movement Activities That Refresh and Refocus, K-6*.

Perfect addition to my morning meeting. Administration purchased for each grade level to share, and once I had the opportunity to review the activities I realized that I needed my own book. Actually purchased an additional copy for a team member. My kindergarteners always start their day with a

positive social interaction and this book is a wealth of additional and new great ideas!

Clear, easy to read directions, lots of great new ideas along with some classic ones. Worth the money.

Good ideas for when I taught early childhood.

This book is great to keep at your meeting space. It has tons of quick ideas for having a successful morning meeting.

I am now teaching leading the morning meetings everyday. I have found some GREAT ideas. Once you familiarize yourself with each of the lessons, you can quickly flip to one and use it depending upon the need (emotional support, greetings, connections to lessons).

My students loved the meeting activities. They were all very clear and the implementation process went well in thanks to the directions outlined.

Easy to use without reading entire book. Arrived promptly from seller.

Easy to implement!
